

MAPLEWOOD MALL RECONSTRUCTION

The City of Philadelphia is rebuilding the roadway, sidewalks, and plazas of **Maplewood Mall**. The City's goal is to rebuild the Mall as a great public space and shopping street that will help the overall improvement of Central Germantown. The project is funded by the City's Capital Budget with support from Councilmember Cindy Bass.

THE PROJECT INCLUDES:

- A brick roadway with two loading zones
- Sidewalks with street trees, pedestrian lights, and bollards
- Water main replacement
- Plazas with seating, pedestrian lights, landscaping, and public art
- Bicycle racks and trash cans

WHAT TO EXPECT

- Demolition and reconstruction of the water main and all paved surfaces (not including private property)
- The construction team will maintain an office at 54 Maplewood Mall
- Access to businesses and homes will remain throughout the project

WHERE:

- Maplewood Mall and Armat Street, between Germantown Avenue and Greene Street

WHEN:

- Construction is scheduled to begin on **November 18, 2019**
- Work will be done in sections to limit the disruption to businesses and residents
- Construction is expected to be complete by the end of November 2020
